Work Experience

Formosan Arsenal Group Co. Ltd, Taiwan

JUL. 2026

AUG. 2026

CONTRACT GRAPHIC DESIGNER

- Developed brand identities and graphics across digital, promotional, and packaging applications using Adobe Creative Suite and Figma; collaborated with marketing and web teams to prepare design assets and brand guidelines for consistent implementation

SCAD SERVE x Hunter Army Airfield, Savannah

JAN. 2026

MAR. 2026

SPATIAL DESIGNER

- Developed spatial layouts, concept renderings, Rhino 3D models, and set-dressing solutions for an immersive micro-museum experience
- Collaborated with a 13-member multidisciplinary team to translate client needs and historical content into spatial and visual storytelling

Formosan Arsenal Group Co. Ltd, Taiwan

JUN. 2025

AUG. 2025

DEVELOPMENT ASSISTANT

- Supported development engineers with project documentation, scheduling, and drawing review, assisting with minor drawing revisions in SolidWorks and tracking project progress in Excel
- Created show graphics, presentations, and booth visualizations using Illustrator, Photoshop, and SketchUp; coordinated production files and specifications with print vendors

UBHInspections, Utah

JAN. 2024

MAY. 2025

APPRENTICE - CARPENTRY & INTERIOR REPAIR

- Developed hands-on construction and fabrication skills through residential renovation, including flooring repair, greenhouse assembly, and drywall restoration

Co-create Planning and Design Consultancy, Taiwan

JUL. 2022

JUN. 2023

SPACE PLANNER

- Led spatial planning and design for 9 public events and exhibitions, developing layouts and environmental graphics using SketchUp, Revit, Illustrator, and Photoshop
- Developed wayfinding and signage from design through production, coordinating materials, dimensions, production files, vendors, and on-site installation for festivals and international forums
- Conducted on-site surveys and produced AutoCAD drawings for spatial planning, signage development, drawing review, and installation coordination

C.F. Koo Foundation, Taipei City Government Theater

MAR. 2021

JUL. 2021

STAGE ASSISTANT

- Supported stage operations by managing and maintaining lighting, sound, and stage equipment; analyzing preparation needs for diverse performances; and collaborating with the stage manager to ensure smooth, error-free execution in a fast-paced environment

MIAO Architects, Taiwan

JUL. 2019

AUG. 2019

ARCHITECTURE SUMMER INTERNSHIP

- Developed architectural plans for residential, industrial, and tourism projects using SketchUp and AutoCAD, and independently created detailed 3D and physical architectural models
