Work Experience

SCAD SERVE, Savannah

JAN. 2026
CURRENT

SPATIAL DESIGNER

- Collaborated with 13 students from diverse majors to design a micro museum for a real-world client
- Developed spatial layouts, concept illustration renderings, Rhino 3D models, and set-dressing solutions to create an immersive and visually engaging experience

Formosan Arsenal, Taiwan

JUN. 2025
AUG. 2025

DEVELOPMENT ASSISTANT

- Supported development engineers with project scheduling and documentation in Excel, tracking project progress during team meetings
- Created show graphics, presentation materials, and trade show booth visualizations using Adobe Illustrator, Photoshop, and SketchUp; coordinated with print vendors for final production

UBHI Inspections, Utah

JAN. 2024
MAY. 2025

APPRENTICE

- Developed practical construction skills through hands-on apprenticeship in residential renovation, including flooring repair, greenhouse assembly, and drywall restoration

Design and Planning Consulting Firm, Taiwan

JUL. 2022
JUN. 2023

SPACE PLANNER

- Led spatial planning for 9 projects, creating event layouts for the county government using SketchUp, Revit, Illustrator and Photoshop
- Delivered clear wayfinding and signage solutions for festivals and international forums, integrating audience flow and immersive experiences
- Conducted on-site surveying and drafting using AutoCAD to support information design and layered spatial planning for new locations

C.F. Koo Foundation, Taipei City Government Theater

MAR. 2021
JUL. 2021

STAGE ASSISTANT

- Supported stage operations by managing and maintaining lighting, sound, and stage equipment; analyzing preparation needs for diverse performances; and collaborating with the stage manager to ensure smooth, error-free execution in a fast-paced environment

MIAO Architects, Taiwan

JUL. 2019
AUG. 2019

ARCHITECTURE SUMMER INTERNSHIP

- Developed architectural plans for residential, industrial, and tourism projects using SketchUp and AutoCAD, and independently created detailed 3D and physical architectural models
